Dear Friend of Fellowship Tract League,

"The name of the LORD is a strong tower: the righteous runneth into it, and is safe." Proverbs 18:10

We have recently experienced several issues with our printing press and other equipment here at the Fellowship Tract League. It seems that as soon as one problem is resolved, another one arises. While these challenges can be discouraging at times, they continually remind us of our need to depend upon the Lord. Through every difficulty, we are thankful that we have a strong tower in which to find refuge. God remains faithful, providing wisdom, strength, and grace each day as we continue the work He has entrusted to us.

We are also excited to report that we have nearly completed a full truckload of Gospel tracts that will soon be delivered to Mexico. Through a partnership in Texas, these tracts will be transported across the border and distributed throughout the country. We are grateful for the opportunities the Lord continues to provide for His Word to reach more people. We are also thankful for His protection and safety with those involved in transporting and distributing these Gospel tracts across Mexico.

Thank you for your continued prayers and support as we work together to spread the Gospel around the world.

Thank you for partnering with us,

Jon Brown, Director
Fellowship Tract League

*****IMPORTANT NOTICE:** To ensure the deductibility of your contributions, please do not file your yearly income tax return until you have received a written acknowledgement of your contributions from Fellowship Tract League. You may lose a deduction for some contributions if you file your tax return before receiving a written acknowledgement of your contributions from FTL.
