Prayer Letter

March 2026

Faithful Friends,

In the month of February, I was able to teach and preach five different days. During that time, I was able to lead one man to the Lord and held weekly classroom sessions. The Bible Institute is well attended and I am blessed to see the men grow in the Lord and enjoy teaching them how to study the Bible and memorize scripture. "Thy Word have I hid in mine heart, that I might not sin against thee. (Palms 119:11)

In the Upper Midwest Bible Institute (Correspondence) I have a total of 1,140 active students that I mail lessons to. In February I mailed 759 lessons and enrolled 42 new students. I had eleven (11) students write me and said they accepted the Lord while completing their lessons. I printed 10,033 pages of material on my office printer. I worked a total of 134 hours in the Bible Institute office grading and printing lessons in February.

I mailed and passed out 23 Bibles this month and was able to give six Bibles to officers that work in the DCI facility.

In my local jail (Charlotte County Jail) I have 77 inmates that are doing the lessons. I am blessed to have the open door that the Lord has provided.

Thank you for your prayers and support.

This is a picture of the DCI facility which is one of the facilities I minister in here in Florida. I teach a Bible Institute and preach the Sunday morning main chapel service. We have about 1,900 inmates in the main unit and the camp next door.

Please keep us in your prayers

To appoint unto them that mourn in Zion, to give unto them beauty for ashes
Isaiah 61:3a

I teach the Rock of Ages Bible Institute courses in a classroom at my local prison. I have 38 students that complete the lessons each week. My class is three hours in length. This month I focused on Isaiah 61:3 and we had a great month. The men really liked our lesson called "beauty for ashes". Here is just a small part of the teaching, after salvation you have: a new relationship, a new residence, a new reason to live. We have some upgrades in our chapel so in my classroom it has a 70" T.V that I can plug a laptop into and use a power point program to teach step by step. Giving the students a visual effect of what I am teaching about. What a blessing.

Sickness is going through the facility and yes, I found it. I had 10 days of being sick and had to stay home. I had to miss two days because of it. I was able to preach one service and had 89 men in attendance and one inmate came forward to the alter and told me he had never accepted Jesus into his heart. I was able to lead him to the Lord. I was able to hold three classroom sessions and had a total of 25 hours in prison.

In the Upper Midwest Correspondence Bible Institute, I was able to work 131 hours from my home office and grade 626 lessons and mail out 793 lessons to the States of Michigan, Indiana, Illinois, Wisconsin, Minnesota and Iowa. I gave out 10 Bibles, enrolled 32 new students and had three graduates. Eleven students wrote me and said they prayed and accepted Christ while doing their lessons. I printed 10,538 pages of lessons also this month. I have a total of 1,116 active students in the Upper Midwest Bible Institute.

I am thankful to have three types of ministries. A preaching ministry, A classroom ministry, and a correspondence ministry mailing lessons to County jails, State prisons, Federal Correctional Institutions in the Upper Midwest States. Thank you for your prayers and for giving to this ministry. If I can answer any questions or help in any way, please let me know.

January 17th was our 45th wedding anniversary. Thank you for the calls and cards we appreciate you more than you know.

I have copied a note of one of my Wisconsin students on the back.

Please keep us in your prayers.
