Dear Beloved Brothers and Sisters in Christ,

Warm New Year greetings to you and your family in the precious name of our Lord and Saviour Jesus Christ! As we enter this new year, our hearts are filled with thanksgiving to God for His unfailing faithfulness and for your continued prayers, love, and partnership in this ministry. We count it a privilege to labour together for the cause of Christ.

This past December, by God's grace, I had the privilege of completing **82 years of life and 62 years in the Lord's ministry**. What made this occasion more special that I was able to celebrate my birthday in Bidar, at the loving request of our pastors there, who desired to celebrate this milestone together. I stand in awe of God's sustaining grace through the years. Serving the Lord for more than six decades is a **deeply satisfying testimony of God's faithfulness**. Like the song says, *"The longer I serve Him, the sweeter He grows,"* and I can truly testify that my desire to serve the Lord has only increased with time. I am deeply grateful to God for His mercy, to my family for their constant support and sacrifices, and to fellow believers and churches around the world whose prayers and encouragement have strengthened me through every season.

During the month of December, we conducted an outreach ministry trip to the Bidar district, visiting several rural villages like **Neelamnalli, Kashanpur, Tarnalli** and many house gatherings. The Gospel was preached and more that **15 young men and women confessed their faith in Christ** as their personal Lord and Saviour. Many believers were encouraged through the teaching of the Word. We also had **10 people baptized** on this trip and we rejoice with them. We praise God for every soul touched and for the work He is continuing to do in these regions.

We are thankful to report progress on the construction of **Victory Baptist Church in Hosayargudri village**. The building has now raised pillars and very soon the walls too till lintel level. We plan to complete the roofing first or second week of February. By God's grace, we are hoping to complete the construction by April this year. We sincerely thank Victory Baptist Church in Shelbyville for their commitment and sacrifice in funding this church building. We also thank you all for remembering this project in your prayers. This church building will be a testimony of God's providence and will be an open door for the salvation of many people in and around the village.

Prayer Requests:

We humbly request your continued prayers for:

1. **Upcoming Outreach Ministry** – Our next outreach trip scheduled for the **3rd week of January**, that many hearts will be receptive to the Gospel.
2. **Public Gospel Meetings** – Please pray for the **public meetings planned in April**, for God's presence, clarity in preaching, and salvation of souls.
3. **Church Construction Project**– For provision, timely completion, safety, and wisdom as we move forward.
4. **Pastors & Churches** – For strength, encouragement, protection, and spiritual growth of pastors and local churches.

Once again, thank you for standing with us in prayer and encouragement. May the Lord richly bless you and use your church powerfully in this new year.

Yours through Calvary,

Pastor Isaac Bhasme

"The harvest truly is plenteous, but the labourers are few." — Matthew 9:37
