Dear First Baptist Church,

Greetings in the name of our Lord Jesus.

I have been able to return to the Federal Correctional Complex for five weeks for my mentoring classes. One man, an agnostic, asked me a couple of weeks ago why I kept coming into prison. I was able to tell him how I was saved, and God had called me to preach and be a missionary, now to the prisons. His girl friend in Mexico came down with Covid and was placed in a hospital where they gave her medicine that caused her to go into a coma. He asked me to pray for her. I asked him what about him praying, and he told me that he had been praying also. Praise the Lord! I trust that he will be saved before long.

For the last three weeks I have been going to the Federal Correctional Complex to teach a class to three different units. While the prison system will not let all the inmates come at once, there has been great interest in my class with over one hundred men signed up for the class. Each week there were different units that were able to come. On last Tuesday, I received a call from the Chaplain telling me that the prison is back on lockdown to all volunteers. When things are going to well, the devil tries to stop the work of God. God will still come out victorious and we will go back to prison!

The prison in Oberlin, LA is still open to us. I talked to the Warden this morning and he told me that I could come in every day that I wanted. Praise the Lord!

Lou has had several doctors' appointments for the pain in her back. She has nerves pinched in two places. The MRI's were sent to the doctor this week. Her next appointment is for the 12th of July. She also has a CT Scan the 14th of July on her liver. Please be much in prayer for her.

While we have a temporary pause for the prison in Oakdale, we can be a witness everywhere. We have had the opportunity to witness in Walmart, Sam's, the doctor's office, restaurants, and on my Facebook account preaching each day. You may write me at: BrotherGeraldGenesis5:22@gmail.com.

Lou and I thank you all for your prayers and love that you have shown to us. We are very appreciative for your labor of love to the men in prison. We have had 8 saved since our last news letter!
