

Dear beloved brothers and sisters in Christ,

November 12th, 2025

Greetings to you all in the precious name of our Lord and Saviour Jesus Christ! We thank God for your continued love, prayers, and faithful support toward the ministry here in India. Truly, your partnership in the Gospel has been a great encouragement to us as we labour together in the harvest field.

Gospel Meetings and Revival in Bidar – October 19th – 22nd, 2025

We are rejoicing in the Lord for the **four days of gospel meetings** that were recently held in **Bidar**, where the hand of God moved mightily. During the 4-days meeting, we conducted **Bible study sessions** for pastors and Sunday school teachers, focusing on strengthening their spiritual foundation and equipping them for effective ministry. The sessions were deeply enriching — many testified that the Word of God renewed their vision and rekindled their zeal for service.

Every evening, the Lord graciously drew large crowds for the **public gospel meetings**. The presence of God was powerfully felt as the Word was preached with boldness and clarity. At the close of the meetings, **around 35–40 precious souls came forward to receive Christ as their personal Lord and Saviour**. We know that heaven truly rejoiced for the souls that were saved, and so did we! Many believers and pastors testified that these meetings were a time of great revival for the churches in Bidar district. There was joy, unity, and renewed spiritual fire among the believers. The people earnestly requested that we hold such meetings again — and by God's grace, we have prayerfully decided to organize them at least twice every year. It was indeed a **festive season of faith** as many people along with their families travelled from various villages in Bidar, as well as other parts Karnataka to attend the meetings. There was great revival through preaching of God's Word and fellowship with believers. We distributed **Bibles and Audio Bibles** to those in need, especially to pastors serving in rural areas who do not have access to Christian literature. We thank God for the privilege

Village Outreach in Chatnalli, Godampalli and Kashanpur

We also had the opportunity to visit the church in **Chatnalli**, where for several years there had been a misunderstanding and bitterness towards us because of certain people who had come in between. But our God is a God of peace and restoration! As I preached the Word in their midst, the Holy Spirit worked deeply in the hearts of the believers. Many of the elders came forward with regret, humbly apologising for their past misunderstandings. There was great rejoicing as the Lord restored our fellowship in love and unity. The church members honoured us and assured their support and partnership in the days to come. We truly praise God for His living Word that pierces our hearts and thoughts, setting us right to walk in His righteous path — all for His glory! (Hebrews 4:12).

We also thank the Lord for opening new doors for ministry in the villages of **Godampalli** and **Kashanpur**. As we visited these places, we were able to share the good news of salvation with the local people who eagerly listened to the Word of God. By the grace of God, **sixteen young people in Godampalli** church dedicated their lives to the Lord Jesus Christ, committing themselves to walk in His ways. In **Kashanpur**, a **family of four** joyfully received the message of salvation and came to the knowledge of Christ. Truly, *"the gospel of Christ... is the power of God unto salvation to every one that believeth"* (Romans 1:16). We praise God for leading us in a very special way for the sake of the Gospel. God willing, we desire to **start a church in Kashanpur** soon, so that the new believers and local families may have a place to gather for worship, prayer and grow in the Word and through this, many more will hear the gospel and believe. One of the church members have already decided to donate a piece of land (30 feet X 50 feet) and have constructed a temporary aluminum structure. We will keep this thought in our prayers and let God guide our next steps.

Church Construction in Hosayargudri

We are thankful to the Lord for His continued guidance and provision for the **church construction in Hosayargudri village**. The **foundation work is almost completed**, and we are now preparing to move into the **next phase** of building. The believers in this village are eagerly awaiting the day they can worship the Lord together in their own church building. Please continue to uphold this project in your prayers — that every phase will be completed in God's perfect time and provision.

Here's the added paragraph in the same tone and missionary newsletter style, ready to be inserted after the section about the Bidar meetings or before the Hosayargudri construction update:

Prayer Requests:

- Pray for the spiritual growth of the **new believers** in Bidar — that they will be rooted and grounded in Christ.
- Pray for the **pastors and Sunday school teachers** who attended the Bible studies, that they may continue to teach and serve faithfully.
- Pray for the **upcoming gospel meetings** we plan to hold in 2026 — that the Lord will open doors and prepare hearts.
- Pray for the **Hosayargudri church construction** — for sufficient funds, safety of workers, and timely completion.

Your prayers, love, and sacrificial support make it possible for us to continue this work. Together, we are witnessing souls saved, churches revived, and the Word of God spreading across our land. May the Lord richly bless you and your church family for your partnership in His kingdom.

Yours through Calvary,

Pastor Isaac Bhasme
