Prayer Letter

July 2026

God is our refuge and strength, a very present help in trouble.
Psalms 46:1

The month of June has pasted and I wanted to give you an update on the work of the Lord. I was able to lead three inmates to the Lord after a Sunday morning chapel service. My services are well attended and because of the constant change of inmates in the facility, my work is never done. We get new inmates every week, some from the County jails and others from prisons located around the State of Florida.

My weekly classroom Bible Institute is doing well. I currently have 41 students enrolled. I focused this month on "Bitterness" we have a great lesson on this subject. The main points are: The cause of bitterness, the course of bitterness, the cost of bitterness, the cure of bitterness.

My local county jail is allowing inmates to do these lessons also. They are not allowed to be mailed so I give the lessons to the jail chaplain and he passes them out to our students. They complete the lessons and give them back to the chaplain and he emails me the test sheets. I currently have 103 students enrolled. The Lord is blessing the work. I get little notes on the back of the lessons. This month a lady that was arrested and started doing our lessons in jail wrote on the back of her lesson "I am beginning to really understand" What a blessing!!

Upper Midwest correspondence lessons are my main focus. Students from the Upper Midwest six states mail lessons to us here. I have a total of 1,188 active students. In June I mailed 744 lessons, six Bibles, enrolled 28 new students, printed a total of 9,318 pages of lessons and had 10 students write back and say they prayed and asked Jesus into their hearts. Thank you for your prayers and monthly support. One of the inmates at the prison made and painted a sign for our County's 250-year event. Here is a picture below at our front gate of the prison.

Please keep us in your prayers.
