Dear Friend of Fellowship Tract League,

"Trust in the LORD with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths." Proverbs 3:5-6

At the Fellowship Tract League, we desire to trust the Lord fully and follow His direction, even when we do not always understand the steps He places before us. We recently mentioned the need to replace our cutter. It has been a great machine, but has finally reached the point where replacement is unavoidable. Being a model from the 1990s, we have replaced the parts we can, but it continues to have problems that must be addressed. The cost of a new cutter came to \$135,000.

While that is a significant expense, we are deeply grateful for those who have already given toward this need. Because of your generosity and the Lord's provision, we have been able to place the order for this machine. The new cutter is expected to arrive within the next 6 to 8 weeks.

The work at the Fellowship Tract League continues to move forward. Over the past several weeks, we have shipped millions of Gospel tracts to churches, missionaries, and soul winners across the United States and around the world. Requests continue to come in daily, and we rejoice to see God opening new doors for distribution. Your support directly helps us meet these needs and keep the presses running.

Thank you for your prayers, your support, and your faithfulness to the Great Commission. Together, we continue sending the Gospel to a world that desperately needs Christ. We pray the Lord will richly bless you for your partnership and for the Gospel tracts that are being distributed through your generosity.

Thank you for partnering with us,

Jon Brown, Director
Fellowship Tract League
