

The Jones Family

Prayer Letter

October 2026

Dear faithful supporters,

The season of fall has arrived here in S.W. Florida and the hottest days of summer have ended. The month started off with my chapel service at the prison. We had a full chapel and the Lord stirred the hearts of the men. My message was titled "a Prescription to be a better Christian" I had a really long alter call and had five men accept the Lord. It was one of the best services I have ever had in this prison.

After having a great start to the month, it was soon ended. I had two days of teaching the Bible Institute in the classroom than it was announced that the chapel was getting updated with all new flooring. For 23 days it's been closed, no services and no classroom time. It should be finished sometime in October.

My work in our county jail is going very well. I have 120 students enrolled and doing the lessons. The jail inmates did 232 lessons this month. My prison (DCI) classroom has 42 active students and should start back up October 7th. We thank the Lord for the opportunities to share and teach His Word.

In the month of September, I worked a total of 24 days and 117 hours in my office grading and printing lessons that I mail to the six Northern States. In the month of September I received 690 lessons, mailed 708 lessons. Gave a total of 10 Bibles out and printed 7,973 pages of lessons on my office printer. I had three students graduate our program this month. I enrolled 23 new students.

I was scheduled to have lithotripsy (sound waves to break up a large kidney stone) on October 9th, but I was told I have some other issues and that I may need to postpone that procedure. I am not in any pain but the stone in my kidney is too large to pass. I am trusting the Lord and I appreciate your prayers.

Thank you for praying for us and for your support.

Please keep us in your prayers.
