## Prayer Letter

August 2024

Faithful Friends,

Thank you for all the prayers and support you have given to us; we really appreciate all you do for us.

I went into both the facilities in my area. I worked a total of 63 hours and preached two (2) Sunday main services this month. I had three (3) men that came forward and asked me to help them accept the Lord during the invitation. Praise the Lord.

In the correspondence Upper Midwest Bible Institute: In the month of July, I was able to work 176 hours grading 820 lessons in the Upper Midwest States. I enrolled 42 new students, mailed fourteen (14) Bibles, and graduated three (3) students. I print all of our lessons and in the month of July I printed 12,876 pages of lessons, I have 1,300 active students. We had donations of \$828.00 and mailing and printing supplies were \$754.04.

Classroom Bible Institute: In the month of July, I held nine in person classroom days. In those meetings I passed out 246 lessons and received 297 lessons for grading. I have a total of 34 students in the DeSoto Correctional Institution and 18 in the Charlotte Correctional Institution.

One of my in-classroom students wrote me a letter and I have printed it on the back. Please take a moment to read it. Lives are being changed because of the Word of God. I had another older student that asked if he could give a testimony in class. He told the class that his first day attending the Bible Institute class was January 24, 2024 he remembers that day because it was the last day he did any drugs. He has been sober and clean and growing in the Lord. It's been a blessing to teach the Bible Institute and see how the Lord has blessed us. I still have a few men at times I have to bring in and talk to about their progress and some drop out because of the requirement of work needed weekly to stay current but this Bible Institute is the best attended Bible class in the chapel. Thank you for all your help and prayers.  
(please read the note on the back from one of our classroom students)

Thank you for your prayers, and support for our work here.

Please keep us in your prayers.
