

the **Mullers**

missionaries to Mexico

With all praying also for us, that God would open unto us a door of utterance... Colossians 4:3

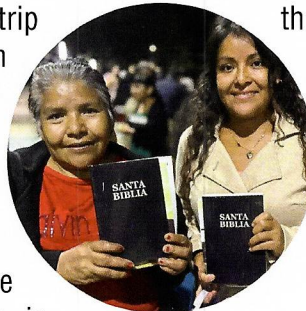

Greetings from Mérida, Yucatán, as always, it's a joy to be able to write and keep you updated on what the Lord is doing through this ministry.

Seems like just yesterday we were celebrating Christmas and here we are looking at spring coming up quickly.

We will be celebrating our 7th Anniversary in February. Where did the time go? God has been faithful; he has provided beyond our abilities and we have seen literally hundreds saved and baptized through this ministry. It is a privilege to serve our great God.

Moving forward in the work, we are looking to add even more village gospel campaigns. We just finished working with Campaigns for Christ in 3 municipalities. It's always a joy to be able to facilitate a mission trip for a group that comes down to serve. Working behind the scenes, knowing that the Lord is working in the campaign and in the hearts of each visitor that came on the trip. Not only are souls saved but Christians are challenged as they participate in outreach. It's a win win situation.

We mentioned in our last letter that we are praying for the funds to build a permanent building in one of our village churches. The plan is to build a wall around the property first, then lay a foundation for the building, and then, Lord willing, build the actual church building. Our first phase is under way as we have started a building fund in our main church, our first phase goal is about \$5,000 for the wall, which includes the materials and labor. If the Lord moves you to help you can send it to our board and they will separate it for the building fund.

We can never thank everyone enough for the faithful support we have had for the last 26 years as we labored together with you in the Yucatán Peninsula. We trust the Lord to give you the increase.

We want to share some photos of the campaigns we held last week. People rejoicing to be saved, others rejoicing to see others getting saved. God is working. Jesus saves.

*Thank you and God bless,
Bro Mitchell Muller*
