missionaries to Mexico

With all praying also for us, that God would open unto us a door of utterance... Colossians 4:3

Greeting and salutations from the south of Mexico!

It's a blessing for us to write and tell you all that God is doing a work in southern Mexico. We have seen His hand at work all year. There are souls saved every month through the preaching of His word. We've started a ministry called The Highways and Hedges Ministry where we are going to the small villages that surround our city. Half of the state's population live in small villages where they have from a few hundred to a few thousand people in a village. We have distributed over 500 whole Bibles thus far. We are trying to add more trips for the month, but we already have 2 established mission works during the week in villages. A few weeks ago, a family donated a piece of their property to us to build what we call a palapa, where we will hold the services. God has been opening doors and we are seeing many saved. Every month we see somewhere between 50 – 70 people respond to the gospel. In our church in Merida, we are also seeing an influx of visitors. Seems every week we have a family visiting and in August we baptized 17 new converts to the glory of God.

We had a VBS in August and it went very well. One note of praise is how many workers we had. 27 workers came to help and be a part of the VBS, and we an average of 40 kids every day. It was a blessing and we saw several parents come and stay while their child learned biblical truths. The week after VBS we had our first Teen Camp. It was 2 nights and 3 days of a great time. Many, many decisions were made by young people, and we had 3 other churches send their teens to us. In all we had 41 teens come. It was a blessing to preach the word of God to them.

We are currently planning on a church group coming to visit in October and we also have a Leadership Conf we are organizing for November. Please keep those 2 activities in prayer. We are asking the Lord to do a work.

Thank you all for your faithfulness to the ministry in Mexico, thank you for the sacrifices to see souls saved.

God bless,
Mitchell and Elizabeth.
