

the Mullers

missionaries to Mexico

Withall praying also for us, that God would open unto us a door of utterance... Colossians 4:3

Greetings from the south of Mexico,

As always, we count it as joy to tell you about what is happening in the ministry of the Muller Family in Yucatan.

Our summer was good, we had our regular scheduled activities such as VBS and our Teen Camp, and we always have a great time with that. Teen Camp is one of my favorite times. It's always something I look forward to as I get to make up all the games.

This year we had a good group come out, 82 teens from a few different churches. Our memory chapter was Proverbs 4 and the theme as FOCUSED, from 4:25, Let thine eyes look right on, and let thine eyelids look straight before thee.

At the end of the camp, we see how many can recite the entire chapter, which if you think about it, it's pretty challenging since we only have a few days to do it. This year we had 4 stand and recite the entire chapter, and many others were able to recite some 10 verses, others 15, and many got up to 20 verses. It's a blessing to hear young people quote the bible.

This year we had 7 young people come forward for salvation, and several more come forward to yield their lives to the Lord's calling.

Right before our camp every year we hold a Teen

Rally and we have some games, some raffles for free entry to Camp and other prizes. A good group came and participated, I think we had a little over 150 in attendance this year, and we praise the Lord for that.

We usually try to keep the end of August free and let September be a month of recharge. It's easy to get activity focused and lose our focus on Jesus, so it's important to be keep a balance in the church calendar.

October is our Bible Conference for pastors, although we get a lot of church people that come. We try to roll out the red carpet for our guests. We serve breakfast, lunch and dinner and provide lodging for any pastors from outside of town.

We're thankful that we are able to have pastors from the US come and do the preaching, as we translate. Every year it seems it is better than the last. We truly are blessed.

We are grateful for each and every one of you who keep us before the Lord in prayer.

We look forward to what the Lord has in store for us for the rest of the year, and until then, thank you and God bless.

*Thank you and God bless,
Bro Mitchell Muller*
