Prayer Letter  
December 2024

Faithful Friends,

I wanted to write and update you on the work of the Lord here in S.W. Florida and the Upper Midwest Bible Institute.

The month of November was filled with medical test and doctor appointments. I had a prostate biopsy in October and they found cancer. So, this month they scanned my whole body to see what other area's might be involved. Praise the Lord they found no other areas. I am scheduled to have my prostate removed on January 14<sup>th</sup>, 2025. Thank you for all your cards, emails and phone calls, I really appreciate your concern. I know who holds my future!!

In the local prisons here, I was still able to work **nine (9) days and 59 hours** (in prison), preaching and teaching the Bible. I had a graduation for the classroom Rock of Ages Bible Institute and we had eight (8) men graduate. Each of these men had completed a total of 793 lessons and answered 38,505 questions from the Bible. That is 1,859 pages of material on top of reading the Bible from cover to cover about seven times!! Praise the Lord. I was able to visit cell to cell and also visit with men in the dorms this month.

In the Correspondence Bible Institute, I worked **148 hours** (in my office) and mailed lessons to the inmates in Michigan, Indiana, Illinois, Minnesota, Wisconsin and Iowa. I mailed 557 lessons, received 503 lessons for grading. I printed 8,406 pages of lessons this month and mailed or passed out eight Bibles. I had eight (8) students that accepted the Lord while completing their lessons.

Our Bible Institute has six lessons on how to become a soul winner and how to share the Gospel. I had a student that completed all six lessons but had never won anyone to the Lord. This month he was the first one to arrive at the chapel and rushed to tell me he had used what he had learned and led a friend to the Lord last night. He was so happy and is already working on another.

Thank you for everything you do for us, prayers and monthly support. If I can answer any questions feel free to call me, my number below.

*Merry Christmas* to you and know you're in our prayers.

Please keep us in your prayers.
