July/August/ September 2026

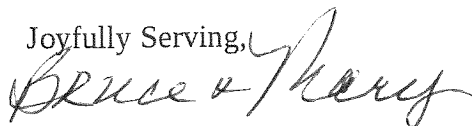

Dear Friends,

July is my birthday month, and I turned 59 this year! Actually it was my spiritual birthday on the 9th and it is a wonderful reason to celebrate! Fifty nine years ago I came to Jesus as a poor lost sinner, and wonder of wonders, He saved me, gave me eternal life, and a great desire to live the rest of my life serving Him! I'm so thankful that I still have that desire! I have to say that it has been a wonderful journey!

I am still limited as to what I can do with the arthritis pain in my back. I have been seeing a pain management doctor. He did a cortisone injection this spring, but it didn't last very long. In August I had a procedure done to remove some of the cartilage in my spine that was pressing on the spinal cord. I was given another injection and it has helped to reduce the pain somewhat when I stand or walk. I'm thankful for that, but I still use my "soul patrol" chair a lot. I'm able to get out to pass tracts with that. And I guess people feel sorry for this old cripple, and they are willing to take a tract. I still go to the mall in Killeen every 2 weeks to talk to the Turkish man and give out tracts. Progress is slow with him though. I was able to find a Turkish New Testament to give him and he tells me he has read it from cover to cover. Please keep praying for Riza. I so want him to be saved.

I don't know where the year has gone. It is fall already, and still pretty hot here in Texas. This summer was very hot with week after week of 100 degree temps. The forecast is for rain soon. In fact, several inches which will probably cause flooding. Thankfully we are on high ground, physically and spiritually!

Thank you for prayers and support! It is a great blessing, since we have not been able to do many meetings this year due to medical issues. We love and miss seeing all of our friends along the way, and pray for God's blessings on you and your churches.

Joyfully Serving,

Bruce and Mary DeLange
