

The Jones Family

Prayer Letter

April 2026

Pastor Clark,

I wanted to update you on the work in the jails and prisons here in South West Florida and also the Upper Midwest Correspondence Bible Institute.

The month of March has been filled with issues inside the prison. My main chapel service on March 1st was cancelled because the prison wanted to redo all the floors in the chapel. I was disappointed not to be able to preach. Then we had three lockdowns. I was able to spend three days teaching and soul winning even with all the problems inside the walls.

I am reminded every month of the responsibility I have. Often times prison is the last step before eternity for many of these men & women. Some will never leave the correctional facility but by death or rapture. I am focused in reaching and teaching the Gospel to these men and women!!

The Upper Midwest Bible Institute is doing very well. I have 1,153 students in the States of MI, IN, IL, MN, WI and IA. In the month of March, I mailed 726 lessons, received 641 lessons. Passed out 46 Bibles, printed 9,297 pages of lessons and enrolled 42 new students. I want to update you on more of the details of the work I do here in the Upper Midwest Bible Institute. I have 88 students in the Upper Midwest Federal prison system; I have 231 students in county jails and 669 students in State prisons. In Florida I have 79 students in my local jail that I teach the Bible to and 76 students in my classroom at the prison. My records show I have 11 students that have been released but are still doing these lessons from home. There are 4,600 inmates within 35 miles of where I live. Please hold us up in prayer as we reach and teach these men & women.

I will have a busy April, I am scheduled for three doctor visits. I am having a colonoscopy on April 24th and I have just received a jury duty notice for April 13-17.

I printed on the back two notes I received this month from two of my students one in Indiana and the other from Michigan.

Please keep us in your prayers.
