Dear First Baptist Church,

Greetings in the name of our Lord Jesus Christ!

Our Great God and Savior Jesus Christ is STILL on our side, watching over us! According to the way things are looking in this world, He is coming soon! Praise God!

Since our last letter, we have seen men saved, growing in grace and knowledge of our Lord, going home to their countries and walking with God! In the last few months, some of the men have given a fascinating testimony of what God has done in their lives. Here are a few: "After I arrived back in my country of Mexico, my family is shocked and pleasantly surprised of the change in me." Another stated: "Today, here in prison, I stand in front of you telling you that I was not believing of how God could take the life of a sinner and give me the desire to serve Him. In two days, I will be returning to Ecuador as a 'missionary' to do God's work in my country." One other gave this testimony: "I was born a Catholic when I came by the door of the chapel here in prison. I did not want to go inside the chapel, but something just kept drawing me to enter. I heard Bro. Gerald preach how God can renew a broken life and make it whole again. After several times hearing about a real God who doesn't want anyone to go to Hell, I trusted Jesus as my Lord and Savior! My life IS different now." There have been many men who were disciplined and have gone back to their respected countries and are continuing to work for God. A Prison Ministry DOES work! Please keep praying for us as we serve our Lord in His calling!

In the last several months, Lou and I have had doctors' appointments ranging from back problems, high blood pressure, high blood sugar and colonoscopy on May 3rd. Please remember us as you pray. The month of March, I was called to preach, and we have served our Lord as missionaries for 54 years. NO, we are not retiring, we are just getting started serving God!

April 6th of this year, Lou and I celebrated our 62nd wedding anniversary! It is soooo sweet to be married to the love of my life! Please continue to pray for us!

Our Spanish Bible Institute is going well! Several of the men have finished the Institute classes or have gone back to their countries. There were 76 studying with us, and since some have gone home, we still have 62 continuing to study. We praise God for helping us to disciple men who will teach and preach the gospel of our Lord in other countries.

Thank you all for your prayers and support! You will receive your rewards in Heaven for being faithful to Christ! Know that we are praying for you and your mir
